

## Review of Polling Districts and Polling Places 2018

### Summary of Councillors' comments

Ward	Councillor	Comment
3 Dumbarton	Karen Conaghan	I am happy with the comments already made with respect to the polling places within the Dumbarton Ward. The arrangements all look adequate and from my previous experience of these places they work well in practice. I am content with the further comments with regard to potential new house building within certain areas too and the further accommodation this might require. It's clear you and your staff have put a great deal of thought and work into this and I pass on my thanks for that.
3 Dumbarton	David McBride	I am content with the arrangements; the only comment is perhaps the Oxhill electors could use St Michaels as opposed to Brucehill.
3 Dumbarton	Brian Walker	As a follow on to what Councillor Conaghan has said, I have heard no issues or complaints regarding the current polling arrangements.
