Kitchen Renewal Programme 17/18

Your address is now eligible for a kitchen upgrade. We would invite you to call us to arrange a survey which will allow us to measure your new kitchen. You can select your choices of units, worktops and wet wall splash back from the selection attached overleaf. Failure to take up this option could result in your address being removed from the programme.

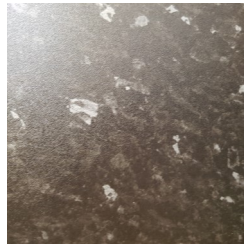

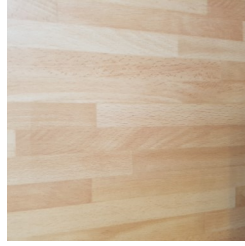

Please Contact our Team

On **01389 608411** to arrange
